„Lars?"

„Yeah."

Lars didn't look up from his paperwork. With his calculator he controlled Metallica's merchandise sales numbers then highlighted them in neon.

James sighed.

"Laahars!"

"Yes, what is it?" Lars highlighted another number.

"I'm fucking Jason."

No answer. Lars looked at his calculator.

"Lars, did you hear me?"

"Sure. You're fucking Jason."

"Exactly." James grinned. "And? What do you say?"

"You're straight, James," Lars murmured..

The door opened. Jason came in.

James smiled, and Jason kissed him.

"I'm horny, baby," he whispered.

"Mmmmhhh," James moaned.

Lars stared at them in shock, jaw dropped.

James grinned.

"You sure I'm straight?"
